EC7500/EC7600 CUT-OFF SAWS

*High performance saws
tackle heavy-duty cutting
with rugged reliability.*

*Shown with a
diamond blade.*

*For the operator—
Minimum Effort, Maximum Comfort.*

SPECIAL FEATURE!

Standard 22mm arbor converts easily to 20mm or 25.4mm

Choose from two models:

- EC7500, standard with a 12" abrasive wheel
- EC7600, standard with a 14" abrasive wheel

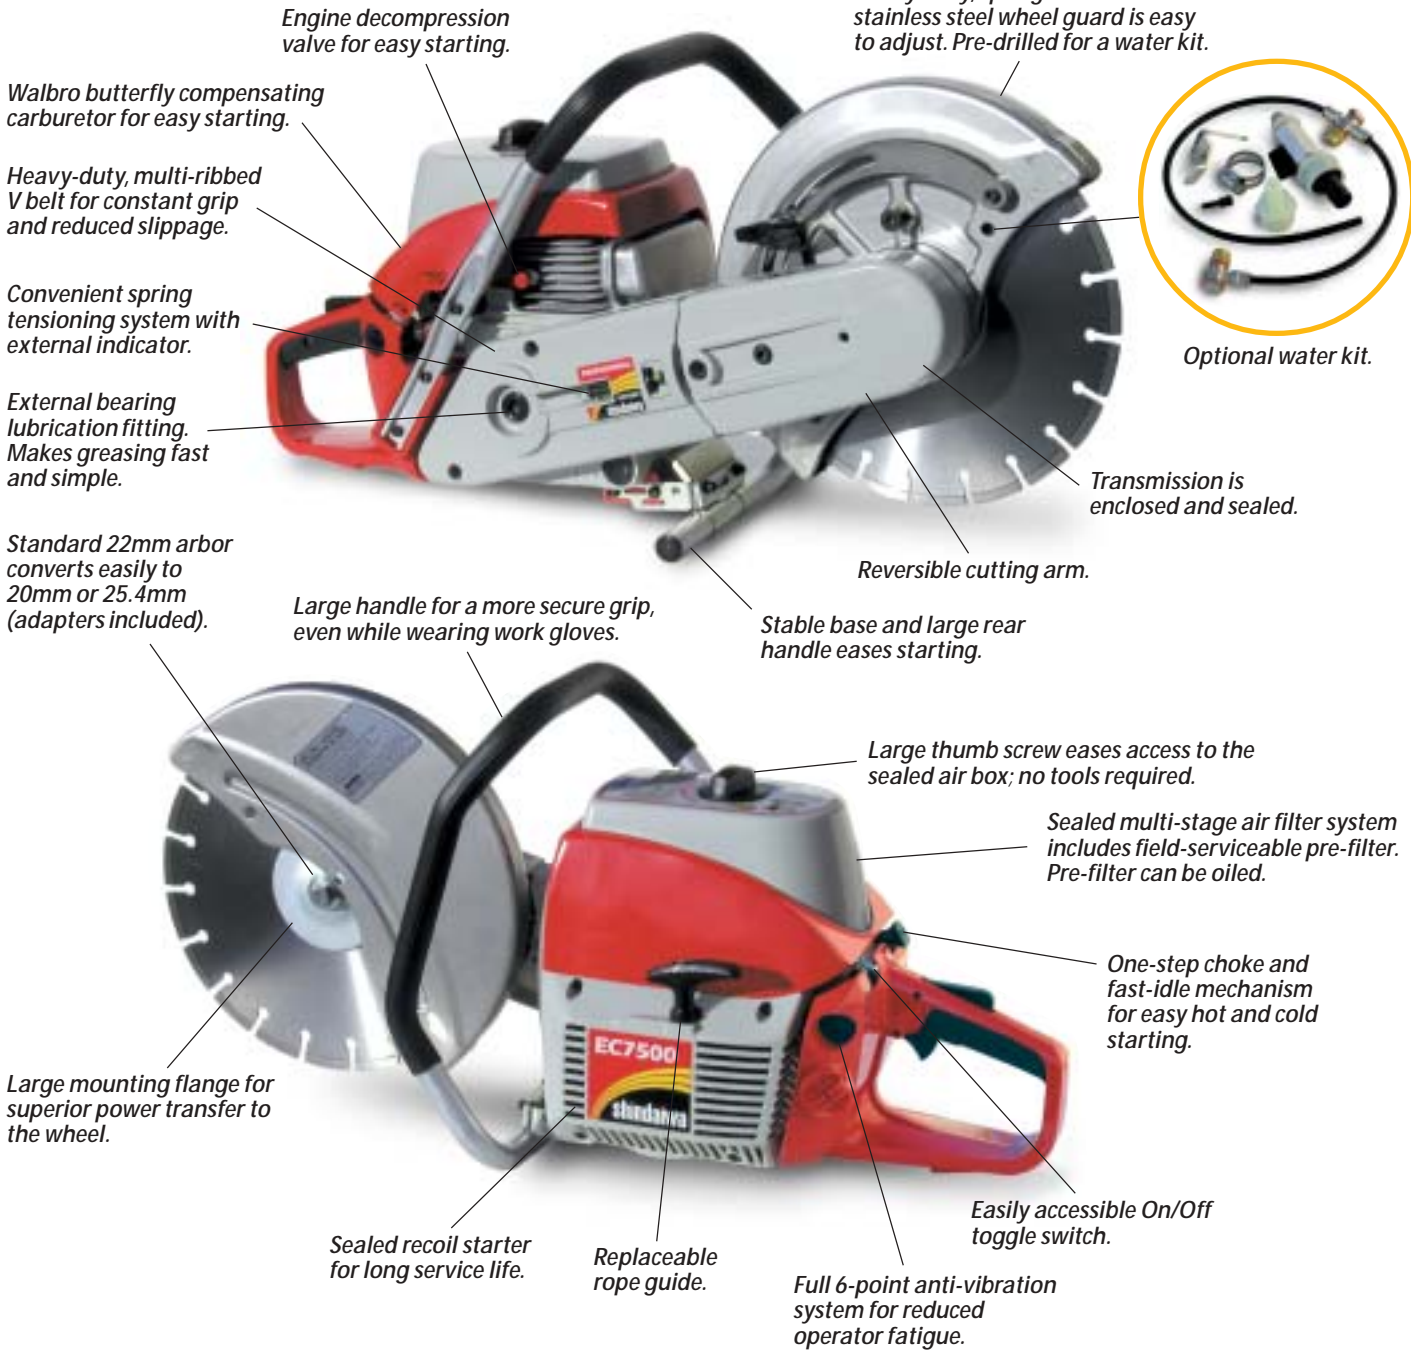

*Shindaiwa
professional grade
cut-off saws for
cutting concrete,
masonry, stone,
marble, brick,
asphalt, steel
and more!*

- Tough Shindaiwa 73.5cc engine combined with a high-torque transmission reduction system delivers excellent cutting performance.
- Engine decompression valve makes starting easy.
- Soft rubber rear-handle inserts absorb vibration for maximum operator comfort.
